2006 R'OWN STYLE BLEND PASO ROBLES

50% SYRAH
40% GRENACHE
8% ZINFANDEL
2% VIOGNIER

Alcohol : 15%
Release: April 2009
Production: 900 Cases

Vineyard Sources: Westside Paso Robles, Terra Bella Vineyard, Bailey Vineyard, Beckwith Vineyard, Rolph Family Vineyard, Derby Estate Vineyard

Ruby-garnet in hue. Scents of dark cherry, cranberry, pomegranate and hints of cardamom. Tightly-knit, it can use some aeration in its youth to allow the flavors to unfold. Bright strawberry and rhubarb flavors are highlighted by candied red licorice and hot cinnamon spice. Medium in weight with fine-grained tannins, this wine will benefit from some cellaring. Drink over the next three to six years.

2006 MERITAGE PASO ROBLES

66% CABERNET SAUVIGNON
17% MERLOT
11% PETITE VERDOT
6% MALBEC

Alcohol : 15%
Release: April 2009
Production: 800 Cases

Vineyard Sources: Westside Paso Robles, Halter Ranch Vineyard, Rolph Family Vineyards, Messina Vineyard

Tightly-wound, with seductive notes of cedar, toast and warm spice derived from the wine's aging in fine oak barrels. Fruit aromas of cassis and damson plum. The flavors are deep and brooding hidden beneath a core of fine-grained tannins. This is an age-worthy Bordeaux-style blend, and showcases the ability of Paso Robles to produce world-class wine given the appropriate grape growing and winemaking conditions.

2007 WHITE KUVÉE PROPRIETARY WHITE BLEND PASO ROBLES

65% VIOGNIER
35% ROUSSANNE

Alcohol : 14.3%
Release: April 2009
Production: 300 Cases

Vineyard Sources: Westside Paso Robles, Derby Vineyard (formerly the Rosette Vineyard)

Beautiful light-gold, brassy tones are displayed on the wine's appearance. White peach, lemongrass, talc and a touch of honeysuckle on the nose. The minerality of the vineyard underlies the array of fruit-driven aromas. Crisp golden apple and lemon gelato flavors envelop the palate. Medium weight with the same minerality creeping in on the finish.
