**2005 KIAMIE KUVÉE
PROPRIETARY RED BLEND
PASO ROBLES**

60% CABERNET SAUVIGNON
15% MERLOT
12% SYRAH
8% MALBEC
5% ZINFANDEL

Alcohol : 15%
Release: January 2008
Production: 1000 Cases

Vineyard Sources: Halter Ranch Vineyard, DeBro Vineyard, Terra Bella Vineyard, Beckwith Vineyard; Westside Paso Robles

The vineyard sources used in this blend are all from Paso Robles Westside, a region well-known for its calvareous soils which are more closely akin to the premium winegrowing areas of Europe than those commonly found in California. Produced entirely from small-lot fermentations, the wine received a full month of maceration prior to pressing, followed by eighteen to twenty months of barrel aging comprising 40% new oak from premier French and Hungarian cooperage houses.

The Kiamie Red Kuvée Blend emphasizes neither its Bordeaux nor its Rhône components, but rather reflects the balance and synergy of all its elements, creating a wine style defined by the blend of its unique fruit. This wine possesses a core of rich fruit enveloped by smooth tannins, providing enough structure to allow up to a decade of cellaring.

**2005 KIAMIE CABERNET SAUVIGNON
PASO ROBLES**

75% CABERNET SAUVIGNON
25% FRANC

Alcohol : 14.5%
Release: January 2008
Production: 500 Cases

Vineyard Sources: Halter Ranch Vineyard , Westside Paso Robles

What distinguishes this wine is its rich, approachable nature, and a ripe varietal character for which Paso Robles Cabernets are well-known. We blended twenty-five percent Cabernet Franc into the wine to further enhance its complexity and structure.

The wine is built for mid-term (3-6 years) aging, but the style predicates drinkability upon release, and full enjoyment of the savory aromas and flavors the wine has to offer now.

**2006 WHITE KUVÉE
PROPRIETARY WHITE BLEND
PASO ROBLES**

65% ROUSSANNE
35% VIOGNIER

Alcohol : 14.75%
Release: January 2008
Production: 250 Cases

Vineyard Sources: Westside Paso Robles, Derby Vineyard (formerly the Rosette Vineyard)

This wine exhibits a beautiful, golden hue. On the nose are expressions of white peach, beeswax and sweet vanilla bean. The palate is full and viscous giving the impression of sweetness, while remaining bone dry.
